largest shoe manufactory in the world, announced that, beginning November 1, they will establish in all their factories an eight-hour day with ten hours' pay.

100,000 WAR BRIDES OF POLAND FACE LIVES OF WHITE SLAVERY

CHICAGO, Oct. 19.—"There are more than 100,000 war brides in Poland," said Ignatz Paderewski, who stopped with her husband, the pianist, in Chicago between trains today. "They have borne children to soldiers."

"I have a plan to care for these poor, helpless mothers and their babies. I desire to open a refuge for them in Warsaw. Sixty Los Angeles women have given me \$1200 for the cause. I want to build this home in Warsaw and call it the American Refuge for Suffering Womanhood."

"I wish I could enlist the mothers of America in the cause. I learn that many Polish mothers are being sold into white slavery."

Some men drop a lot of money trying to pick up more.

(For Re-election.)

Greatest Character Actor on Screen

THEODORE ROBERTS, LASKY STAR IN PARAMOUNT PICTURES

Theodore Roberts, the Lasky-Paramount star, is undoubtedly the greatest character actor on the screen today. He has played a wide range of character and has been the leading support of all Lasky stars during the past two years. He has played a drunken father, a grand opera impresario, a gruff, stern, forgetting uncle, a political "man higher up," a Grand Duke of Russia, and many other characters.

S. P. LARK DERAILED NEAR WATSONVILLE

WATSONVILLE, Calif., Oct. 19.—The S. P. Lark from Los Angeles to San Francisco was derailed this morning. The engine and several cars left the rails. Two women passengers and a mail clerk were injured. The accident was caused by spreading rails.

CATTLE MARKET EXTREMELY DULL

PORTLAND, Oct. 19.—Market for cattle is extremely dull. While no changes are indicated in the North Portland trade for the day, the feeling is weak. All of the big killers are filled with supplies, therefore they are practically out of the buying field.

Bulk of the arrivals and business in feeder stuff, with the best of these going around \$5.75.

General cattle market range:
Prime light steers \$4.50@4.60
Prime heavy steers 4.70@4.75
Good light steers 4.90@4.95
Stockers and feeders 5.00@5.10
Prime dehorned cow and heifers 5.50
Common cows 4.00@4.50
Bulls 3.50@4.50
Prime light veal calves 7.00@7.50
Prime heavy veal calves 4.00@5.00

Hogs Still Erratic.
While current sales of best hogs offering at North Portland are around \$9.25 per hundred pounds, still some of the trade believes that a fraction over this would be obtained for something extra good. However, in view of the fact that no sales are reported beyond \$9.25 that is considered the extreme top of the market at the moment.

for training teachers. I believe that I am voting for the best interests of the children of eastern Oregon when I vote for the establishment of a normal school at Pendleton.

"Very truly yours,
"S. E. NOTSON, Co. Supt."

CANNON'S STOGIES KEEP MOTHS OFF MRS. KNOX'S FURS

MASSILLION, O., Oct. 19.—The "long black stogies" worn by Uncle Joe Cannon, former speaker of the national house of representatives, immortalized by cartoonists, are excellent eradicators. But they are not inexpensive engines of destruction, for they cost 50 cents apiece.

At least, that is what James Knox of Danville, Ill., advance agent for former Gov. Frank Hanley of Indiana and party of prohibition lecturers who was here recently, declared.

Knox says he knows, because his wife has kept one of Uncle Joe's cigars in her trunk for several years and not a moth has disturbed the contents. Knox does not smoke and one day when he was calling on Uncle Joe the latter produced one of his elongated perfectos, and Knox took it home to his wife. She placed it in a trunk with her furs. Result—no moths.

GERMAN U-BOAT HITS BIG ITALIAN LINER

BERLIN, Oct. 19.—It is announced a German submarine severely damaged the Italian protected cruiser Ubia in the Mediterranean September seventh.

DENTAL PREPAREDNESS.
What is the most important attribute of a soldier?

Good feet?

No.

Good eyesight?

No.

Good brains?

No.

What then?

Good teeth.

A soldier may have good feet, good eyesight, and good brains but if he has bad teeth, he can't eat. If he can't eat he can't march near enough to the enemy to see him and use his brains to fight him.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. To cure this condition the mucous surface of the Eustachian tube must be reduced and this tube restored to its normal condition, hearing will be restored forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface of the Eustachian tube. Catarrhal Deafness can be cured by Hall's Catarrh Cure. Circulars free. All Druggists. 75c.

P. J. CHENEY & CO., Toledo, O.

NOTSON GIVES STRONG SUPPORT TO NORMAL

County Superintendent Gives Most Logical Explanation Why People Should Vote for School Here.

One of the most logical explanations as to why the people of Oregon should support the amendment to provide a normal school for eastern Oregon is contained in an endorsement given by the measure by S. E. Notson, county superintendent of Morrow county. Mr. Notson says in part:

"If I were sick, I should send for a physician who had been trained in a medical school, and not for some boy who might be trying to learn how to practice medicine by experimenting on his neighbors. If I were in need of an engineer, I should look for a man who had been trained in handling engines. If I wished to obtain the best results in school, I should want a teacher who had been trained for the work of teaching. I think this more important than some other lines of work because the children are young but once. It is not simply a waste of money to employ untrained teachers, but it is a waste of a part of the life of the child who is to be educated. Many good teachers have learned to teach by experimenting upon children, but it is not economical and it is not fair. One normal school can train teachers enough to supply the demand. In my judgment it is simply a matter of economy to provide additional facilities

General hog market:
Choice light weights \$9.20@9.25
Good light weights 9.00@9.15
Medium weights 8.75@8.90
Rough heavy 8.00@8.50

Mutton Continues Strong.
Market for mutton and lamb continues strong at North Portland, with very little stuff available for the open market. Killers are still getting their immediate requirements from their own feed lots at country points. Market quoted strong at former prices.

General mutton and lamb market:
Select spring lambs 8.75
Ordinary lambs 8.00@8.25
Feet yearlings 7.25@7.50
Best to common wethers 5.75@6.00
Best ewes 5.75@6.00
Heavy to common ewes 4.90@4.50

Wednesday Livestock Shippers.
Hogs—E. E. Gore, Brocklyn, 1 load; Thomas Large, West Seio, 1 load; Henry Yeckel, Centerville, Wn., 1 load; C. L. Teskel, 1 load.

Cattle—M. Gerbetsbuhler, White Salmon, 24 head by boat.
Cattle and calves—O. E. Trout, Harriburg, 1 load.

Sheep—C. H. Farmer, McCoy, 1 load; L. W. Darrow, Lyle, Wash., 1 load; direct.

Mixed Stuff—F. R. Decker, Silver-ton, 1 load cattle and hogs.

How does a soldier get good teeth? By having good teeth in childhood. How do children keep good teeth? Through being taught by their mother how to keep their teeth clean and having their teeth looked after while they are growing. This makes good teeth for future soldiers. It would seem then as though the first patriotic duty of a mother was to keep her children's teeth in good condition.

DRINK WATER TO AVOID SICKNESS SAYS AUTHORITY

GLASS OF HOT WATER BEFORE BREAKFAST DAILY KEEPS THE DOCTOR AWAY.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drain of the house.

Those of us who are accustomed to feel dull and heavy when we arise splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate. In it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphate hot water is quietly extracting a large amount of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have yellow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

Notice of Bids for Coal.
